May 5, 2020

As a result of Covid-19, we have decided to delay our scheduled June 2020 Externship Program. Since, as of this writing, our team is working remotely, we are uncertain if we can host this program, therefore, we are unable to confirm a date for the summer at this time. Also, we are considering hosting it virtually as an alternative option to explore.

Therefore, we are re-distributing our Externship Application to gain awareness of those students that have an interest to attend, either in-person or virtually. If we approve your application to attend, we will keep you informed if/when we will be hosting this event. We hope that we can look forward to meeting you!

Thank you for your flexibility during these uncertain times.

Continue to be safe and well,

The LGA Externship Team
